TOWN WARRANT

STATE OF MAINE

County of York, ss.

GREETING:

In the name of the State of Maine, you are hereby required to notify and warn the Inhabitants of said Town of Alfred, qualified to vote by law in town affairs, to meet at the Town House in said Town on the eighth day of March, 1952, A. D. at ten o'clock in the forenoon, to act on the following articles, to wit:

Article 1. To choose a Moderator to preside at said meeting.

Article 2. To hear and act on the report of the Selectmen, Assessors, and Overseers of the Poor, Treasurer, Collector, Superintendent of Schools, Road Commissioners, Town Clerk and other Town Officers.

Article 3. To see if the town will vote to elect a Road Commissioner or Commissioners as per Section 20, Chapter 80 of the Revised Statutes of 1944, not exceeding three, and proceed to elect the same.

Article 4. To elect a Town Clerk, three Selectmen, Assessors and Overseers of the Poor, one member of the Superintending School Committee for three years, Town Treasurer, Road Commissioners, Tax Collector, Constable, two Directors Parsons Memorial Library for three years.

Article 5. To see what sum of money, if any, the town will vote to raise by tax assessment and appropriate for maintenance of Alfred Fire Department.

Article 6. To see what sum of money, if any, the town will vote to raise by taxation for hose for the Fire Department.

Article 7. To see what sum of money the town will vote to raise by tax assessment for hydrant rental and town water service as per contract with the Alfred Water Company

Article 8. To see if the town will vote to include the American Legion Home in their contract with the Alfred Water Company. On petition of Warren G. Stevens and eleven others.

Article 9. To see what sum of money, if any, the town will vote to raise by tax assessment and appropriate for care of fountain and park.

Article 10. To see what sum of money, if any, the town will vote to raise by tax assessment for discounts and abatements.

Article 11. To see what sum of money, if any, the town will vote to raise by tax assessment for street lights.

Article 12. To see what sum of money, if any, the town will vote to raise by tax assessment for maintenance of highways and bridges.

Article 13. To see if the town will vote to raise money by tax assessment for construction of State Aid roads in addition to the amounts regularly raised for

ways, highways and bridges, under the provisions of Section 25 and 29, Chapter 20, R. S. 1944, as amended.

Article 14. To see if the town will vote to raise the sum of $400.00, said money to be divided equally between the Special Resolve Fund and Mud Money for the purpose of buying materials.

Article 15. To see what sum of money, if any, the town will vote to raise by tax assessment and appropriate for maintaining and tarring town roads.

Article 16. To see what action the town will take in regard to tarring the cross road from the Biddeford road to the residence of Alfred Clark.

Article 17. To see if the Town of Alfred will vote to raise the sum of $100.00 to be added to the unexpended balance to be applied to the repair and maintenance of the graves of soldiers and sailors as provided by Revised Statutes of Maine, Chapter 54, Section 3.

Article 18. To see what sum of money, if any, the town will vote to raise by tax assessment for Mothers' Aid Account.

Article 19. To see if the town will vote to raise by taxation the sum of $350.00 to be added to the unexpended balance for civil defense and public safety.

Article 20. To see what sum of money, if any, the town will vote to raise by tax assessment for incidental expenses.

Article 21. To see what sum of money, if any, the town will vote to raise by tax assessment and appropriate for insurance on town property.

Article 22. To see what sum of money, if any, the town will vote to raise by tax assessment for opening roads in winter.

Article 23. To see what sum of money, if any, the town will vote to raise by tax assessment and appropriate for Parsons Memorial Library.

Article 24. To see what sum of money, if any, the town will vote to raise by tax assessment and appropriate for repairs, equipment, insurance and improvements on school building.

Article 25. To see what sum of money, if any, the town will vote to raise by tax assessment for support of elementary and secondary schools, including salary and tuition.

Article 26. To see what sum of money, if any, the town will vote to raise by tax assessment for the services of a Public Health Officer.

Article 27. To see what sum of money, if any, the town will vote to raise by tax assessment for the services of a Public Health Nurse.

Article 28. To see what sum of money, if any, the town will vote to raise by tax assessment for Relief of the Poor.

Article 29. To see what sum of money, if any, the town will vote to raise by taxation for War Veterans' Aid Account.

Article 30. To see what sum of money, if any, the town will vote to raise by tax assessment for the grading and maintenance of the town dump.

Article 31. To see what sum of money, if any, the town will vote to raise by tax assessment for cutting bushes.

Article 32. To see if the town will vote to raise and appropriate the sum of One Hundred ($100.00) dollars to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine, in accordance with the provisions of Chapter 80, Section 95, of the Revised Statutes, 1944.

Article 33. To see if the town will vote the sum of $50.00 to pay for writing up new valuation book.

Article 34. To see if the town will vote to authorize the Selectmen to procure a temporary loan or loans, not to exceed $10,000.00 in anticipation of taxes for the purpose of paying obligations of the town, such loan or loans to be paid during the current year out of money raised during said current municipal year from taxes.

Article 35. To see if the town will vote to pay the Collector of Taxes three-fourths of one per cent of the total collection of taxes.

Article 36. To see if the town will vote to allow a 2% discount on all taxes paid within 30 days after commitment.

Article 37. To see if the town will vote to charge interest on all taxes unpaid on September 1st until paid and to fix the amount.

Article 38. To see if the town will vote to authorize the Selectmen to sell and dispose of by public sale,

property acquired by the town by tax process and execute quit claim deeds in behalf of the Inhabitants of the Town of Alfred for such property.

Article 39. To see if the town will vote to authorize the Selectmen to use excise tax money to reduce the tax rate.

Article 40. To see if the town will vote to write off uncollectable taxes of 1933, 1934, and 1935.

The Selectmen hereby give notice that they will be in session at the above named hall and place of meeting on Saturday, March 8, 1952, the day of said meeting, for the purpose of correcting the list of voters, from 9:00 A. M. until the polls are closed.

Polls will be open for voting at 10:00 o'clock in the forenoon and will be closed at 6:00 o'clock in the afternoon.

ROSCOE R. HUSSEY

CHARLES W. COLE, JR.

PHILIP R. FOSTER

Selectmen of the
Town of Alfred

DUDLEY T. FORREST,

Constable of the Town of Alfred.

STATE OF MAINE
STATE DEPARTMENT OF AUDIT
AUGUSTA

December 7, 1951

Board of Selectmen
Alfred, Maine

Gentlemen:

In accordance with Chapter 16, Section 3, Revised Statutes of 1944, and at your request, the records of the Town of Alfred have been audited for the fiscal year ended February 5, 1951.

The examination was made by Auditor S. M. Emery in accordance with generally accepted auditing standards that pertain to municipal accounting. Audit analysis was on a basis consistent with that of the preceding year and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination, the financial transactions of the Town appear to have been appropriately handled, with such exceptions as may be noted in the accompanying comments.

Exhibits and schedules incorporated in this report present the result of the financial operations of the town for the period designated. Recommendations are also offered which are believed to be worthy of your consideration.

All of which is respectfully submitted.

Very truly yours,

FRED M. BERRY,
State Auditor

FMB/djt

COMMENTS

Town of Alfred
February 7, 1950 to February 5, 1951

An audit has been completed of the books and records of the Town of Alfred for the fiscal year ended February 5, 1951. The audit included an examination of the records maintained by the Assessors, Selectmen, Town Clerk, Treasurer and Tax Collector.

The result of the audit indicates that the following suggestions appear worthy of consideration by the Town Officials:

A general ledger should be kept by the Selectmen and include all balance sheet and operating accounts.

Transfers between accounts should be recorded by journal entries rather than to clear through the Treasurer's cash account.

The Treasurer should issue receipts for all monies received.

The Tax Collector should use pre-numbered receipts and file copies of these together with cash sheets at the office of the Selectmen.

Unpaid real estate taxes secured by tax liens, which have matured, should be transferred to a tax acquired property account.

Original invoices substantiating all expenditures should be kept on file with the Selectmen.

The examination consisted of a review of cash transactions as well as an analysis of revenues and expenditures. The result of the year's operations showed that available funds exceeded expenditures by $1,512.09 and is summarized as follows:

Unexpended Balances	$4,859.05
Overdrafts	3,346.96
Net Unexpended Balances	$1,512.09

Overdrafts were noted in several of the appropriation accounts more particularly the overdrafts in the general government, highways and bridges and charity accounts totaling $334.64, $1,173.68, and $283.05 respectively. The Department of Attorney General has advised that overdrafts are not permitted by statute excepting in certain instances where emergencies arise in highway activities and then only to the extent of 15% of the highway appropriation.

The deficit of $4,645.53 at the beginning of the year was reduced to $3,133.44 at the year end. This change was caused by excess of available funds over expenditures.

The examination also included verification of tax and tax lien accounts. Insurance policies were listed and corporate surety bonds were found on file for the following town officials:

Tax Collector	$4,000.00
Treasurer	$4,000.00

Included in this report are various exhibits and schedules pertaining to the financial activities of the town. Audit procedures deemed necessary were followed in the development of these statements.

It is believed that the accompanying balance sheet and supporting statements fairly present the financial status of the town at February 5, 1951 and the result of its operations for the year then ended.

Exhibit A.

TOWN OF ALFRED
COMPARATIVE BALANCE SHEET

ASSETS	February 5,1951		February 6, 1950	
Cash in Bank		$6,052.05		$5,364.83

Deficit (Exhibit C)		3,133.44		4,645.53
Total Liabilities, Reserves and Deficit		$14,870.52		$12,868.23

The complete report of the audit as made is on file in the Selectmen's Office.

REPORT OF THE PUBLIC HEALTH NURSE

I herein submit a brief report of service rendered the town of Alfred by the York County Tuberculosis and Health Association for the period beginning January 1, 1951 to January 1, 1952.

Medical efforts have been notably successful in eradication of Smallpox, Diphtheria, Whooping Cough and other common contagious illnesses. In the control of tuberculosis, success has been less marked because no vaccine has been developed which is completely effective to the entire population. The tuberculin patch tests are an effective means of finding tuberculosis, with a follow-up of chest X-rays. Tuberculosis causes more deaths than all other infectious and contagious diseases. Also more people between the ages of 15 and 35 die from tuberculosis than from any other disease.

Our activities consist of School Health program and constantly working to find and eradicate tuberculosis.

Seventy-six pupils received the tuberculin patch tests. Two positive reactors were found. Home visits and arrangements made to X-ray the families at the

State Diagnostic X-ray Clinic held in Saco.

The annual pupil inspections completed:

Number of pupils examined	138
Number of pupils with no dental defects	61
Number of pupils with defective teeth (deciduous)	51
Number of pupils with defective teeth (permanent)	34

Number of pupils with defective throat	11
Number of pupils with defective vision	2
Number with evidence of pediculi	5
Number with impetigo	2

Several home visits were made to discuss individual health problems, and assist families in making corrections.

Number of pupils with the following corrections:

Teeth	46
Vision	5

Skin and scalp conditions readily cleared up.

I wish to express my appreciation to Mr. Wright, Superintendent of Schools, teachers and other citizens for their cooperation during this year.

Respectfully submitted,

York County Tuberculosis and Health Association

By: NELLIE P. SAWYER, R. N.

Public Health Nurse.

REPORT OF THE PARSONS MEMORIAL LIBRARY

To the Board of Directors of Parsons Memorial Library and the Residents of the Town of Alfred:

I present the following as the 46th annual report of the library.

The routine work of the library has gone on about as usual, with Miss Barbara Robbins or Miss Celia Mathews assisting and relieving me whenever necessary.

The circulation of books and magazines has been slightly less than last year although the number of borrowers has increased. We are dependent on our young people to keep the circulation up. Non-fiction continues to be popular with old and young; a fact which is gratifying.

During 1951 we have added 304 books, many of which were gifts. Some of these gifts were from private libraries and replaced editions of the older classics which were becoming worn; others were non-fiction consisting of history, biography, religion, philosophy, poetry, essays and reference works.

Gifts of books include: An autographed copy of "Complete Poems of Carl Sandburg" from The New Century Club; "Biographical Review of York County," published in 1896, from Mr. Frederick Hobbs; two volumes of "The Lincoln Papers" from Mr. Henry Parsons; twenty-five current books from Mr. Joseph Parsons; and numerous used books from the following donors, Mrs. M. J. Twomey, Miss Gladys Jordan, Miss Mildred Wilson, and Mr. Clifford V. Cross.

We are very grateful for all these, many of which we could not have afforded to buy on our limited budget.

We subscribe to the Literary Guild and to the Young People's division of the Literary Guild. The Junior Literary Guild selections have been coming to us for several years.

Mrs. Charles Milmine again sent us a generous check to help defray the cost of magazine renewals for the reading room.

The D. A. R. Magazine and a National Defense pamphlet have been placed on the reading table by friends. We have subscribed to "The Shoreliner" and the Red Cross Magazine.

A large glass display case for our old books and other relics has been given by her friends in loving memory of Miss Florence R. Hewey.

Memorials to the Reverend Benjamin P. Snow, first librarian, and to Miss Mary Emerson who succeeded him, both written by Mr. George Williams, and a Memorial to Miss Hewey, written by Dr. David Wilson have been inscribed upon our records.

A bronze plate has been placed on the frame of the oil portrait of Sally Holmes which was presented by Professor Walter F. Wilcox last year.

Mr. Emery S. Littlefield was appointed a director to fill the unexpired term of Mr. Clifford V. Cross who resigned.

In May it was my privilege to attend, with Mrs. Olive Brooks, an all-day Round table at the Walker Memorial and Warren Memorial Libraries in Westbrook where librarians from all parts of the state discussed and exchanged ideas for improving service.

Last spring a portion of the ceiling behind the librarian's desk fell, making it necessary to replace the entire ceiling with metal lath and new plaster. After this work was completed, two women, with the help of the janitor, gave the library and books a most thorough cleaning.

We are indeed fortunate in having a janitor, Mr. Everett Kimball, who takes such pride in keeping the building tidy and shining.

The slate roof of the library has been repaired at a cost of $160.00 and Mr. Fernald re-covered the bulkhead roof with asbestos shingles, giving his services.

This fall it was hoped that we might get through the winter with the old heating plant but in November it became necessary to have an entire new furnace as the old one was found to be unsafe and beyond repair. An oil-fired forced hot air furnace was installed, and in operation on December 1. During the period of installation the library was closed only one evening and a part of one afternoon.

We are again asking the town to appropriate the sum of $500.00 for the expenses of the library.

The public is invited to come in on any Wednesday or Saturday between 2 to 4:30 or 7 to 8:30 and "browse around" or use the reading room.

"Books are delightful when prosperity happily smiles; when adversity threatens they are inseparable comforters."

Respectfully submitted,

BERTHA F. DREW,

Librarian

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Members of the Superintending School Committee, Citizens of Alfred, the annual report of schools is herewith submitted:

Elementary enrollment this year in grades one to six inclusive is 111, registered as follows: Grade 1, 21; Grade 2, 22; Grade 3. 19; Grade 4, 17; Grade 5, 21; Grade 6, 11. Registration in the other grades will be found in the report of the High School Principal.

Thirteen tuition pupils attend Sanford High School where they are enrolled in occupational courses not offered in Alfred High School.

At the beginning of school last fall the high school opened as a six year organization, grades seven and eight becoming a part of that grouping. This necessitated the employment of the third high school teacher. Miss Elsie M. Lindblom of Portland, a graduate of Upsala College was elected to this position. The junior high grades are occupying a part of the assembly hall which has been equipped as a classroom without lessening its use as an auditorium.

During the fall we were fortunate in securing the services of Mrs. Agnes L. Tibbetts of Springvale as music supervisor.

There were two more changes in teaching personnel. Mr. Robert R. Strong of Saco, a graduate of Bates College was engaged as principal of the high school to fill the vacancy caused by the resignation of Mr. Daniel C. Boothby. Mrs. Miriam B. Moody after a year's absence returned to become high school assist-

ant, the previous assistant, Miss Priscilla Pouliot having resigned in June.

The organization of a six year high school made it possible to relieve the overcrowded condition which existed last year in the intermediate grades. At the present time there is a teacher for each of the first four grades. The fifth and sixth grades are under one teacher.

With the addition of a few more fixtures the fluorescent lighting will be complete in all the classrooms throughout the building. Last summer the ceiling in the assembly room was whitened and the walls varnished. This added to the room's attractiveness and improved the lighting. New movable, adjustable seats and desks have been purchased for the high school.

Consideration is being given by interested citizens of Alfred and neighboring towns to the building of a regional high school in this area. The advantages of such a school over present secondary facilities have been presented so many times that repetition is not necessary. It is a project that should be seriously considered and acted upon. Recently the legislature passed a law known as the School Building Authority Act. Under this Act the State will finance the building of schoolhouses and the towns taking advantage of the Act may reimburse the State on a rental basis over a period not to exceed forty years.

Beginning with 1952 the State will adopt a new method of distributing state aid to schools of the different municipalities. According to a recent law towns will be classified in nine catagories to be determined by state valuation per resident pupil. The procedure consists of dividing the latest state valuation by the total number of resident pupils attending school either

in or outside the town. This determines the catagory in which the several towns belong and shows what percentage of school costs is to be paid by the State.

May I in closing express my appreciation to the citizens and all school personnel for their cooperation this year.

Respectfully submitted,

MAYNARD E. WRIGHT,

Superintendent of Schools

REPORT OF THE JUNIOR AND SENIOR HIGH SCHOOL PRINCIPAL

To the Superintendent of Schools, School Committee, Selectmen, and Citizens of the Town of Alfred, I respectfully submit the following report:

School opened September 4, 1951 with an enrollment of 55 students. They were divided as follows: 7th grade, 18; 8th grade, 11; Freshmen, 8; Sophomores, 10; Juniors, 5; Seniors, 3. Five students have dropped out of school since the beginning of the year.

The College Preparatory and the General Course have been offered this year. The students are taking the College Preparatory Course; the remaining students are taking the General Course.

The school has participated in all of the activities of the Central York County League and has made a creditable showing in all events. The basketball team finished fifth in the league play and was defeated in the first round by Buxton in the Central York County Tourney; the track team finished fifth, and the baseball team finished second.

New equipment added this year included fluorescent lights in the auditorium, a magnetic globe, collision apparatus, electrostatic apparatus, linear expansion apparatus, and supplementary laboratory equipment. We receive two books each month from the Junior Literary Guild, and subscribe to Life Magazine and the new York Times Newspaper. I would like to thank the Parents Club and the first six grade teachers for their contribution in buying a new Wright Fluid Duplicator.

Music was initiated in November 1951. Thursday of every week is used for music instruction of all the twelve grades with Mrs. Tibbetts as the instructor. The students seem to respond to music supervision well.

The Audio-Visual program has been a very active one since the end of October. We have weekly movies of an educational and a recreational nature. We also have had two speakers come to give talks. In November Mr. Broggi, a member of the State Legislature, spoke to us on the workings of government. On February 13, 1952, Rev. Hammond, interim pastor of the Alfred Congregational Church and part-time pastor of a North Saco parish, spoke on the life of Abraham Lincoln.

Other recreational activities of the school this year were a mountain climb on a Saturday in October and a Christmas dinner Monday evening, December 17th.

I want to take this opportunity to express my appreciation to the Superintendent of Schools, School Board, Selectmen, teachers and townspeople for their cooperation during the current school year.

Respectfully submitted,

ROBERT R. STRONG,

Principal
